The Tokyo Boat Show event 2009 was held on Mar/12-15/2009, Marine Town feels honor to open our 2009 Global Tour at Tokyo as first stop. During this show, not only Marine Town but also our customer, J. OSAWA GROUP

receive recognition on the market from our new products and package selections.

The result for both companies went successfully.

It is our pleasure to share with you this experience.

Regarding our Tokyo show, we assist our Japan agent as following:

- 1.) Boat show demonstrating proposal: It helps both of us to launch with this boat show in efficient way.
- 2.) Offer potential / popular samples and catalogues.
- 3.) Marine Town Staff supports to explain our product function on the spot.
- 4.) Brand awareness: Not only Marine Town but also our customers receive recognition on the market.

-M.T. booth – Package selection –

For the mutual benefits, we are expecting for more good opportunities to cooperate with you by doing more promotion to your market.

Thus, we would like to share with you this successful show and have feedback about:

1.) Would you plan to attend local boat show for 2009?

Would you be interested in model of team work plan?

If you do, advise us your proposal ahead of time, we can go further discussion.

2.) What range of (main) products you would like to show your customers?
